Philosophy Statement

At BVCK we believe that all children are unique. We believe in encouraging and supporting all children’s individuality, their needs and self-development by providing children with positive and loving interactions that role model respectful and inclusive behaviour.

BVCK strongly supports the Reggio Emilia theory that children learn through play, by providing children opportunities to engage in curious investigative play within their surroundings; this allows Educators to use the environments as a “third teacher” promoting creativity, thinking and problem-solving skills, questions, experimentation and open-ended play (Reggio Emilia, 1963).

Acknowledgement of Country

We acknowledge the traditional owners of the land we are on and pay our respects to their Elders past and present and extend that respect to other Aboriginal people who are present today.

Childcare

Childcare is available for babies and children from 3 months to 5 years of age for full time, part time and casual care.

As per the Priority of Access Guidelines set by the Australian Government, places will be allocated to families according to the following priorities:

- **Priority 1:**
A child at risk of serious abuse or neglect
- **Priority 2:**
A child of single parent who satisfies, or of parents who both satisfy the work, training, study test
- **Priority 3:**
Any other child

Within these main Priority categories, priority should also be given to children in

- Aboriginal and Torres Strait Islander families
- Families which include a disabled person
- Families on lower incomes
- Families from culturally and linguistically diverse backgrounds
- Socially isolated families
- Single parent families

- **If a place is not immediately available to the families, they will be put onto a waiting list.**
Once entered onto the waiting list, it is desirable for the family to contact the centre on a regular basis to confirm their continued wish to remain on the waiting list.
When a place becomes available the Director will contact the family and the enrolment will proceed.

Childcare Opening Times

Monday to Friday 7am to 6pm

BVCK is open every day except for Public Holidays and the 2-week Christmas/New Year closure period, exact dates of which will be given by mid-November.

Special Services

Access to Additional Needs services (DECS and Inclusive Directions etc.) is available through the Centre in the forms of speech pathology, psychology, behaviour guidance and other services in response to your child's needs.

Fees

Fees are determined by the Committee and submitted to the Commonwealth Department of Family and Community Services. As we are a community-based, not-for-profit Centre, with no government funding, the fees collected are to cover all operating costs including staff salaries, resource and building maintenance, and utilities.

It is vital that fees are paid regularly and on time, as Late Payment Fees will be added each week when fees are outstanding. Please see the Fee Policy and Fee Agreement included in the enrolment package.

Most families will be eligible for financial assistance (CCS– Childcare Subsidy) from the Federal Government through Centrelink. CCS entitlements reduce weekly childcare fees. All CCS payments are paid directly to the centre and are taken off family's fees.

-  **From January 2016, to be eligible to receive the Child Care Subsidy, parents will need to be up to date with all immunisation requirements.**
-  **Families will need to provide a copy of their child's immunisation records upon enrolment; you can get a copy from your MYGOV account under the Medicare link.**

Families must provide the centre with the enrolling parents/ Guardians Customer Reference Number (CRN) and one for each of your children to enable your childcare usage to be linked to your Centrelink account; you must also activate your child's enrolment on the MyGov/ Centrelink website for CCS to be paid.

Phone Centrelink: 136150 for assistants with your entitlements

The Great Revival Shop Needs You!

For those of you who don't know what the GRS are about, let me explain....

One of our major supporters is the Great Revival Shop, they have been our major benefactor for over 30 yrs. GRS are a not-for-profit Op-Shop situated in the Kavel Arcade in Tanunda who make donations of money every two months to not only our little not for profit centre but also other great community organisations in the Barossa. Without this relationship our Centre would most certainly not have made it through some tough times, their donations have helped us buy play equipment, make building improvements, and assists us in buying general materials for the centre and we are so very grateful for their ongoing support.

And so, to give support back to them, BVCK provides GRS with a volunteer once a month from one of our lovely families or even grandparents of children who attend our centre. The volunteer is provided with 1 "free of charge AM slot" for 1 child to attend care whilst the volunteer helps at the GRS shop from 9.30am to 12.30pm on a Wednesday.

If you are interested and you like finding unique items at op shops, Give Megan, our GRS rep a call on 0408 814 221 or alternatively let Kia know and she can pass your details on.

Emergency bookings:

In the event of an emergency, the centre Director can decide to take 1 extra booking above the licenced places of 40 children (Emergency Spot), to ensure the safety and wellbeing of the child whose family is asking for an emergency booking, this is at the discretion of the Director.

The “Emergency” details may include but are not limited to: Medical Emergency, Accidents, instances where there is no other person to care for the child and the parent is legitimately unable to care for their child, child at risk.

This “Emergency Spot” is unique to BVCK and may vary at other childcare services, ask the centre Director what their policy is on Emergency spot.

Staffing

The Centre’s most valuable resource is the staff team who have a range of qualifications and experience in working with your children. BVCK Educators responsible for supporting the development of the whole child within the framework of the family and the community.

The adult/child ratios required by the Department of Licencing and Standards will always be maintained.

Ongoing professional development for staff is actively encouraged, and regular relievers are employed whenever possible to provide continuity and stability for children, staff, and families.

Centre Management

The Centre is managed by the Director and the Committee, which is made up of parents and staff from the Barossa Valley Community Kids.

The Committee receives reports from the Director, Assistant Director, Finance Committee, and staff. The Committee makes decisions about financial management, accreditation, OHS&W, development of outdoor learning areas, and maintenance of the building and grounds. It also has an important role in developing and continually reviewing the Centre philosophy and policies.

To join the Committee please see the Director or any member of the current Committee and they will be happy to give you more information.

Enrolling and Settling In

We encourage all families wishing to enrol their child to arrange for an induction with the Director, who will then show you around the centre and explain all functions, routines, and policies. You will have the opportunity to ask any questions and you are invited to spend time with your child in the Centre and meet the staff before your child starts childcare.

It will help your child and staff if you share your child’s special routines, comforters, food, preferences etc. when enrolling.

You must inform the Director when enrolling about any allergies, asthma, etc. and the appropriate management strategies.

It is often an emotional time for children and parents to adjust to a new environment and your child may feel uncertain and very tired for the first few days or weeks, this is normal.

It may help your child to settle in if you can do a quick drop off; once their bag is unpacked, let your child know you will pick them up later, give them a cuddle, say your goodbyes, and exit the room.

Once you decide to go, please don't hesitate, as stopping and returning to them can encourage children to believe the more they cry, then mummy/ daddy will stay, and will make the process harder for you all, although we understand this may not always be possible, however be assured your child will be comforted by one of our Educators until they are happy to begin their day at BVCK.

We ask that parents/ guardians please refrain from congregating in the rooms/ outside areas at drop off/ Pick up, as it makes it hard for Educators and the children to settle into their morning routines, if you are needing to chat to other parents, please do so out of the rooms or in the outside entry area, weather permitting.

Arrival and Departure

On arrival:

We ask you to bring your child to a staff member so that they can be greeted. Please say "Goodbye" to your child even if this is difficult for you. It is important that your child knows that you are leaving and that you will return.

We are here to help you should you need help at separation time so please:

- Sign your child in on the Tablet provided the foyer and on the attendance sheets in each room. (This is a requirement of the Department of Family and Community Services and failure to sign in and out will result in the withdrawal of Child Care Subsidy)
- Help your child to place their belongings in the appropriate areas.
- Hand any medication with pharmaceutical instructions to a staff member and sign the necessary forms.
- Make sure that all doors and gates are closed securely when entering or leaving.

On leaving:

- Help your child collect their day's work and their belongings and any medication.
- Take your child to farewell a staff member.
- If you are unable to collect your child by the close of your session PLEASE telephone the Centre, and arrange for someone else to collect your child, as a late collection fee will apply.

CHILDREN WILL NOT BE RELEASED TO UNAUTHORISED PEOPLE.

If Educators are uncertain about a person collecting a child, parents will be phoned to check authority and identification such as a driver's licence will be requested.

Infections and Disease

To minimise the risk of transmission of infectious disease children diagnosed with infectious disease will be excluded from the centre using the guidelines in 'Staying Healthy' or until medical clearance has been provided to the Centre.

To prevent the spread of infectious disease, we encourage families to fully immunise their children in accordance with the Department of Health and Ageing's National Immunisation Program Schedule. Non-immunised children may be excluded in certain circumstances to protect the health, safety, and wellbeing of every person at BVCK.

Programming -What Will Your Child Do at The Centre?

At BVCK, we value and respect children's emerging capabilities, their experiences, points of view and concerns. Our educators listen to children and use a variety of documentation to record children's significant experiences and their responses to the early learning environment in which they are involved.

Our programs are informed by conversations among educators, children, their families, and the broader community, which supports teaching, play and collaborative interactions.

The Australian Early Years Learning Framework informs and underpins the educational program and practice in our early learning centre and the Australian Early Years Learning Framework principles and learning outcomes assists our educator's approach to children's learning, including intentional teaching, decision making and an ongoing cycle of observation.

Excursions

Excursions and neighbourhood walks are an important way to extend children's experiences and their connection to the community. They provide variety, fun and interesting opportunities for learning and are planned as part of the developmental program.

There are prescribed guidelines for excursions to ensure supervision for young children.

You will be asked to sign a general consent form upon enrolment for us to take your child on spontaneous local walks. If you do not want your child to participate on these walks, you must indicate this on the enrolment form.

You will be given details of any other excursions, and your written consent must be given for each excursion.

Celebrations (including Birthdays)

Celebrations are an important part of our communities, families and therefore children's lives. They promote a sense of belonging and positive self-esteem and can be celebrated in a variety of ways.

Food is often a focus of cultural and family celebrations and has enormous learning potential, we ask that if you decide to bring a cake in for your child's birthday that you let the staff know of the ingredients so we can distribute accordingly to support allergies and cultural believes.

Nutrition and Dental Care

We believe that good nutrition is vital for the wellbeing of children, they will be offered food according to their individual needs and timetable.

The Centre Supports a Healthy Eating programme, we ask that you pack healthy and nutritious food in your child's lunch boxes (no junk food please)

SA Dental Service is available for all children up to the age of 18. Some fees may apply.

Evacuation procedures are displayed all entry / exits throughout the Centre.\

Fire drills are practised on a regular basis and are embedded within our program so children learn how to exit the centre safely to designated safe zone.

It is important that telephone numbers of parents and emergency contacts are kept up to date.

Communication

in our care, if you do not wish for your children's photos to be displayed on the app, please email the Director or.

You can access the link to the Parent portal on the Tax invoices that are sent each week or alternatively please follow the link below:

- Only parents of the centre, and those who sign up to the app can access the "Activities Communications", and only if their child has been tagged in that Communication entry.

FAQ's

Why can't parent's log into the Parent App?

There are several reasons why a parent is not able to log into the Parent App:

- The log in information for the parent app was imported 6 months ago. If the parent has changed their pin number since then, they will have to select 'Forgot Password' and reset their password (this will not change their pin number).
- The parent is not using the email address that is recorded in Spike.
- Changing the password for the Parent App does not change the person's pin for the electronic attendance system.

If you have any concerns with or about any aspect of the Centre or you would like to talk about your child's participation or development, you are encouraged to make a time for a chat with the Director or other senior staff.

We also like to hear about things that we do well or your suggestions about how we could do better, by placing comments, grievances and suggestions in suggestions box locates on the sign in desk in the foyer.

We treat all information regarding children and their families with the utmost confidentiality. Personal information of staff and families is not given out to anyone without prior consent. (Please refer to our Confidentiality and Record Keeping Policy).

Sun Smart

As part of our Sun Smart Policy, children and staff are required to wear a broad brimmed hat and sunscreen and appropriate Sun smart clothing whilst outside throughout the year.

- Please see the Director or Room leader for a copy of our Sun smart policy

Children who forget their hats will be given a spare or will only play in shaded areas whilst outside.

Mandatory Reporting

Our Centre is committed to the prevention of child abuse and neglect. You are encouraged to come and talk to the Director about any concerns you may have as the needs and care of young children is paramount. A confidential report may be made to the Child Abuse Hotline on 13 14 78.
